Step 2 → Once you select the docket that you observed, you will input the data into the google form case by case.

The screenshot displays a web interface for managing dockets and data collection. On the left, a sidebar titled "Upcoming Dockets" shows a list of cases for "Fri 5-13-2022 @ 10:00 am - Dallas County JP 3-1 w/Judge Cercone - 51 Cases". A teal arrow points to the "Notes Form" button for the case "2202476A - PRESTON CREEK vs. ROBERTO RAMIREZ". The main content area on the right is titled "Eviction Case Observation and Data Collection (v2)". It includes a description of the form's purpose, the last update date (June 8, 2020), the user "brianna@childpovertyactionlab.org", and a "Tracked by" section with radio buttons for Ashley, Michael L., Owen, and Brianna. At the bottom, there is a "Date of observation" field with the value "05/13/2022".

Notes Form

Eviction Case Observation and Data Collection (v2)

The purpose of this form is to help CPAL collect, analyze, and share eviction data in Dallas County to (1) improve local understanding of how the eviction process unfolds, (2) uncover barriers/challenges for tenants and landlords, and (3) consider how to better support tenants and landlords upstream of an eviction hearing.
